WHAT IS AN EARLY LEARNING RESOURCE CENTER?

An Early Learning Resource Center (ELRC) is a partner with the PA Office of Child Development and Early Learning. The ELRC provides **quality supports** for early learning programs and helps families access high quality early learning programs.

HOW CAN AN EARLY LEARNING RESOURCE CENTER HELP YOU?

- Provide support through Quality Coaches to help you achieve **Keystone STAR 3 and 4** status.
- Assist in building connections with community partners.
- Support children and families in accessing additional services.

WHO CAN USE THE EARLY LEARNING RESOURCE CENTER?

Anyone can use the services of the ELRC! The ELRC offers services for families, early learning professionals, and community members. Contact your ELRC to find services to help you.

ELRCS REDUCE BARRIERS AND CHALLENGES BY...

- Making sure eligible services are easily accessible and in one place for families and providers.
- Helping communities plan and layer early care and education resources.
- **Simplifying the process** of managing early care and education resources and support.
