HOW CAN AN EARLY LEARNING RESOURCE CENTER HELP YOU?

WE CAN:

- Help you find the best child care for your child.
- Connect you to services, like Child Care Works that helps pay for child care.
- Share information and supports for early learning programs, like PA Pre-K Counts, Head Start and Early Intervention.

QUALITY CHILD CARE MEANS:

- Your child is safe and secure while you are at school or work.
- Your child's teachers support and challenge your child to explore and learn new things.
- Your child learns skills needed for kindergarten.
- **You and your child feel supported.**
